EFFECTIVE DATE: Upon Release

LOCALLY IMPOSED REQUIREMENTS: N/A

BACKGROUND: The Uniform Guidance under Title 2 CFR Part 200 establishes uniform administrative requirements, cost principles, and audit requirements for federal awards. The Uniform Guidance consolidated multiple, previously separate, sets of OMB guidance into one combined set of rules.

Beginning with WIOA PY 2015-16 funds, all recipients and subrecipients of this funding must adhere to the Uniform Guidance (including DOL Exceptions) as well as the corresponding administrative requirements, cost principles, and audit requirements included in WIOA

POLICY: The Workforce Development Board, as a recipient of funds under WIOA Title I is required to comply with Uniform Guidance [WIOA Section 184(a)(3)]. This includes general principles and

guidance on selected items of cost. The Workforce Development Board will utilize the most restrictive local, state, or federal guidelines.

The EDD has compiled a high level matrix listing the various cost items referenced in Title 2 CFR Sections 200.420 through 200.475. The columns in the matrix contain the various entity types, the specific CFR Sections, and DOL Exceptions Sections (if applicable). The matrix also provides a quick reference guide to help indicate whether a cost item is allowable or not. WIOA funding recipients and subrecipients can use the matrix as an initial tool, rather than a final authority for making a determination of whether or not a cost would be considered allowable.

In general, to be an allowable charge to the WIOA, a cost must meet the following criteria:

- Be necessary and reasonable for the performance of the award.
- Be allocable to the award.
- Conform to any limitations or exclusions set forth in the award.
- Be consistent with policies and procedures that apply uniformly to both federally financed and other activities of the non-federal entity.
- Be accorded consistent treatment.
- Be determined in accordance with generally accepted accounting principles.
- Not be used to meet cost sharing or matching requirements of any other federally financed program (without prior approval from the state).
- Be adequately documented.

Expenditures of WIOA funds are allowable only for those activities permitted by the WIOA statute or federal regulations. Required and permissible program activities for adult and dislocated workers can be found in the WIOA Section 134(c) and (d) respectively. Similarly, allowable program activities for the youth program can be found in WIOA Section 129.

Funds awarded prior to December 26, 2014

Funding received prior to December 26, 2014 (i.e., PY 2014-15 funds and before) must continue to follow the terms and conditions of those awards, including the cost principles required under the former OMB guidance. For information on allowable costs under the former OMB guidance, please refer to WIAD03-10.

COST ITEMS MATRIX

THIS COST ITEMS MATRIX SHOULD ONLY BE USED AS A QUICK REFERENCE GUIDE. **The *Workforce Innovation and Opportunity Act (WIOA)* and *Uniform Administrative Requirements, Cost Principles, and Audit Requirements Final Rule (Uniform Guidance)* contain definitive guidance and final authority for determining whether or not a cost is allowable.**

The matrix on the following page identifies the cost items and different types of entities. When determining whether the cost of an item is allowable, users must also refer to the applicable sections of the Uniform Guidance and the WIOA.

Failure to address a particular cost item is not intended to imply that it is allowable or unallowable. Rather, the determination of allowability in each case should be based on the treatment or principles provided for similar or related costs. In the case of a discrepancy between the Uniform Guidance and the provisions of a specific federal award administered by the pass-through entity, the federal award provisions govern. Note also that, in some instances, different cost items may be similarly named, and there may be some overlap between the various cost items.

When reviewing the matrix please use the following legend:

Legend Key	Legend Key Definition
A	Allowable
AP	Allowable with Prior Approval
AC	Allowable with Conditions
U	Unallowable
NS	Not Specified in the Uniform Guidance

If a cost item is denoted with two or more legend keys, users should delve further into the various information sources as they may provide the additional clarity that is needed. If this effort does not provide the necessary information, then subrecipients should contact their Regional Advisor/Project Manager. The “NS” legend key means that information may not be readily available. In this event, the subrecipient should seek other information sources before contacting their Regional Advisor/Project Manager.

The “AP” legend key means that, in some instances, prior written approval will be required from the Cognizant Agency or Governor. In this event, the user should adhere to the Uniform Guidance Section 200.407, DOL Exceptions Section 2900.16, and review the existing policies and procedures established in the [Workforce Services Directive 14-13](#), until further guidance is provided by the state.
