ACTION ITEM: 1.4

SUBMITTAL DATE: April 10, 2013

SUBJECT: Appointment of member to the Council for Youth Development

RECOMMENDATION: The Council for Youth Development is recommending that the Workforce Investment Board Executive Committee approve the appointment of Cesar Navarrete to the Council of Youth Development.

BACKGROUND:

Cesar Navarrete has worked for Family Service Association, a not-for profit human service agency, for over 6 years in various capacities: as a youth program coordinator; community center manager and director; and, currently as the Community Centered Services Director for Programming. In 2004, Cesar received his B.A. in Criminal Justice and is currently working toward his MPA. Cesar’s passion has always been to work with the at-risk youth population.

Cesar is in a position where he can make an impact on our youth population. He has supervised several youth oriented programs throughout Riverside and San Bernardino Counties. The programs include workforce development, afterschool programing, sports, recreational activities and civic engagement opportunities. These programs all have the same goal to provide youth with alternatives to drugs, gangs, violence and criminal behavior. Through his genuine concern for today’s youth, the CYD believes he will serve the council in the best interest of all youth residing in the County.
