The WIOA Title I financially assisted program or activity is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Please call 951.955.3100, 951.955.3744 TTY, CA Relay 711, or ADACoordinator@rivcoeda.org 5 to 7 days in advance.

PUBLIC NOTICE

While the WDB Meetings are open to the public, time constraints limit the WDB's ability to permit open discussions with members of the audience. Persons requesting to address the WDB on matters not on the agenda but are within the jurisdiction of the WDB should do so under the agenda item Public Comments. Persons requesting to address the WDB on an agenda item should register with staff prior to the meeting. The Chair will impose a 3-minute time limit on all speakers addressing the WDB.

NON-EXEMPT MATERIALS

Non-exempt materials related to an item on this agenda submitted to the Workforce Development Board after distribution of the agenda packet are available for public inspection on the Riverside County Economic Development Agency Workforce Division's website at www.rivcoeda.com.

POSTED MATERIALS

Such documents are also available on the Riverside County Economic Development Agency Board Division's website at www.rivcoeda.com subject to staff's ability to post the documents before the meeting.

Jesus Lopez Joe Penrod	Patrick Bryant	Carolina Garcia	Frances Gines

Reports :

Reports

Chairperson	Announced the Workforce Development Mobile One Unit was outside and available for members to walk through after the meeting.
WDC Operations	Wendy informed members workforce was successful in receiving Accelerator Grant funding to create a universal application for county programs. Currently county clients have to fill out a separate application for every county program they want to access. The universal application will be applicable across county programs and clients will only need to fill out one application to qualify for all of our programs.
AJCC One-Stop Operator	Hilario went over the upcoming events in the weekly updates. Our AJCC partners are focused on revising information sessions that are provided at the AJCC. The goal is to provide the same information at facilities where our partners have clients who may need our services. Some partners are interested in learning how to register their clients in CalJobs system.
Inland Empire Regional Planning Unit	Thi went over the updates on where the workforce initiatives are and what funding has been received and expended.
Youth Services	Tammy gave an update on the progress for the Jamil Dada Character Excellence Youth Award. Leslie and Jamil encouraged members to attend the Youth Excellence Award. This award honors disconnected youth who turn their lives around and are succeeding in education. Scholarships are given to the winners assist them with their secondary educational goals. Jamil told members about the successful visits and impact these youth have on our legislators when they go on their advocacy trips to Washington D.C. They advocate for disconnected and at-risk youths and explain the challenges this population faces with education and employment.

Moving Business Forward	Business Solutions Report:

<p>Riverside County's Accelerator 7.0 grant submission was approved for \$128,100 to create a universal application to be used countywide by our clients. This will eliminate the need for clients to repeatedly fill out an application for services at our various departments in the county.</p> <p>There will be two phases to the project: The first phase will research and analyze the elements needed in a universal application; the second phase will be designing a prototype that will share customer data needs among agency staff.</p>			

III. Action Item: Approve the February 20, 2019, WDB Minutes

Motion: That the Workforce Development Board (WDB) approve the February 20, 2019, minutes.

Regional Committee Reports

West	Francisca – the West Regional Committee held its March 13 th meeting at the Rubidoux Youth Opportunity. We were invited to tour the center and see what it has to offer. Thi presented on the regional plan data analysis of the industry sectors and we heard our regular reports.
Southwest	Patrick – Thi presented at our March 6 th Southwest Regional Committee meeting. We also went over the strategic planning and had a great discussion that will continue at our next meeting. This information was very informative and is good for business, economic development and attraction of business. Our Southwest Business Summit will be held May 1, 2019, from 11:30 – 1:00 at the Murrieta Innovation Center. This is an outreach effort to educate businesses on what workforce development has to offer businesses. Finally the job fair for the cities of Murrieta and Temecula was very successful. We had 50 local companies come out who wanted to hire local employees, and several companies were able to achieve this goal. The event was very successful and we are planning another one for the fall.
East	Layne – Loren attended our March 28 th meeting and presented the industry data analysis. In our area, we have already adopted two of the targeted industries, agriculture and hospitality. Due to the nature of our area, we receive roughly 250,000 people in the Coachella Valley who attend our various events. Our speakers from cybersecurity, Donna Woods and Susanne Mata, spoke on cybersecurity careers and pathways and the need for people who can fill these jobs. The need for Coders is in high demand. Many of these positons require only two to three months of training. Layne questioned if the workforce centers were seeing the demand for cybersecurity jobs and training in our workforce centers. This opened our eyes to an opportunity. These careers did not fall into any category but more so spread out among many employment categories. Our Coachella Valley Business Summit/Economic Forecast will be held on April 18 th .

Labor Market Information	<p>Frances – gave the unemployment rates for February 2019:</p> <p>4.3% Inland Empire 4.5% Riverside 4.2% San Bernardino 4.1% Nation 4.4% California</p> <p>Seasonal declines stayed steady in all of the industries. Retail trade was the largest decrease due the end of the holiday season. There was an increase in professional/business services by 1,800 jobs. Information, mining and logging showed no increase or decrease. Frances went the over the remaining numbers in the report.</p>
State and Federal legislative Updates	
Jamil Dada	None
Director's Report	
Carrie Harmon	None

V. Presentation:

-NAWB -Bertelsmann Group	Jamil showed video clips and pictures from the National Association of Workforce Boards 2019 Conference and Hill Visits. The clips showed what is being accomplished by our board members when they attend this yearly gathering. The focus this year was education, career tech, apprenticeship, earn and learn education.

Community and Business Resources

Employer Advisory Council EAC- Sponsored by the EDD

August 14th, 8:00 AM - 10:00 AM

Location:

La Casa Ortega

1690 Spruce St

Riverside , CA 92507

Topic: Job Descriptions

Job descriptions help organizations comply with equal employment opportunity laws by ensuring that hiring decisions are made based on essential job qualifications. This job description-training seminar will teach effective writing of job descriptions. By the end of the seminar, you will be able to define the purpose of job descriptions; identify the key elements of an effective job description; gather and organize the necessary information; write complete, accurate, and objective job descriptions; and help your organization comply with employment laws.

Speaker: William Betley

William Betley practices in all areas of employment law, including unlawful harassment, discrimination, wrongful termination, employee classification, and wage and hour. He also counsels and represents architects, engineers and subcontractors in all phases of construction planning, development, negotiation and litigation. Mr. Betley is presently Chairman of the Inland Valleys Employer Advisory Council (IVEAC) and Region 7 Vice President of the California Employer Advisory Council (CEAC).

**RIVERSIDE-SAN BERNARDINO-ONTARIO METROPOLITAN STATISTICAL AREA (MSA)
(RIVERSIDE AND SAN BERNARDINO COUNTIES)**

Nonfarm jobs decreased by 10,300 over the month; up 35,300 over the year

The unemployment rate in the Riverside-San Bernardino-Ontario MSA was 4.6 percent in July 2019, up from a revised 4.3 percent in June 2019, and below the year-ago estimate of 4.7 percent. This compares with an unadjusted unemployment rate of 4.4 percent for California and 4.0 percent for the nation during the same period. The unemployment rate was 4.8 percent in Riverside County, and 4.5 percent in San Bernardino County.

Between June 2019 and July 2019, total nonfarm employment decreased from 1,533,000 to 1,522,700, a loss of 10,300 jobs. Total farm employment decreased by 3,300 jobs.

- Government (down 16,300) recorded the largest month-over employment reduction. The seasonal job losses were concentrated in local government educational services (down 14,200). State government employment declined by 2,100 over the month, while federal government remained unchanged.
- Two other sectors declined over the month, including leisure and hospitality (down 2,100), and other services (down 400).
- Professional and business services (up 2,900), added the largest number of jobs over the month. Administrative and support and waste services (up 1,900) accounted for over 66 percent of all the job gain in this industry. Employment also increased in Professional, scientific, and technical services (up 800) and management of companies and enterprises (up 200).
- Five other sectors also reported gains over the month, but the most notable came from trade, transportation, and utilities (up 2,600) and construction (up 1,200).

Between July 2018 and July 2019, total nonfarm employment increased by 35,300 or 2.4 percent. Total farm employment decreased by 1,600 jobs or 9.5 percent.

- Educational and health services (up 12,300) posted the largest year-over employment increase. Majority of the employment increase was concentrated in healthcare and social assistance (up 11,700). Educational services increased by 600 jobs.
- Seven other sectors registered employment increases over the year. Notable year-over employment additions were reported in trade, transportation, and utilities (up 6,400), government (up 5,700), and professional and business services (up 5,600).
- Mining and logging reported no change over the year.

#####

IMMEDIATE RELEASE
 RIVERSIDE-SAN BERNARDINO-ONTARIO METROPOLITAN STATISTICAL AREA (MSA)
 (Riverside and San Bernardino Counties)

The unemployment rate in the Riverside-San Bernardino-Ontario MSA was 4.6 percent in July 2019, up from a revised 4.3 percent in June 2019, and below the year-ago estimate of 4.7 percent. This compares with an unadjusted unemployment rate of 4.4 percent for California and 4.0 percent for the nation during the same period. The unemployment rate was 4.8 percent in Riverside County, and 4.5 percent in San Bernardino County.

CDP is "Census Designated Place" - a recognized community that was unincorporated at the time of the 2012-2016 5-Year American Community Survey (ACS).

Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.
- 2) These data are not seasonally adjusted.
- 3) N/A = Estimate created by Bureau of Labor Statistics

Methodology:

Monthly city labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each city at the time of the 2010-2014 American Community Survey. Ratios for cities were developed from special tabulations based on ACS employment, unemployment, and population and Census population from the Bureau of Labor Statistics. For smaller cities and CDPs, ratios were calculated from published census data.

Monthly CDP's labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each CDP at the time of the 2012-2016 ACS survey. Ratios for CDPs' were developed from special tabulations based on ACS employment and unemployment from the Bureau of Labor Statistics.

This method assumes that the rates of change in employment and unemployment since the 2010-2014/2012-2016 American Community Survey are exactly the same in each city and CDP as at county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

Notes

- 1) Data may not add due to rounding. The unemployment rate is calculated using unrounded data.
- 2) Labor force data for all geographic areas now reflect the March 2018 benchmark and Census 2010 population controls at the state level.
