

27TH VALLEY WIDE EMPLOYMENT EXPO

The 27th Valley-wide Employment Expo was a huge success!

[Click here to watch this video @rivcworkforce](#)  to view the many employers and job seekers who took advantage of all that was offered at the Expo, held near the end of 2022. You'll also learn who founded this important event which has helped desert-area job seekers and local businesses connect for more than a quarter of a century!

More than **600 job seekers** walked through the doors at this year's event. If you missed it, look for our many job fairs and job openings posted on our [website](#).

We couldn't have done it without the hard work and dedication from our Expo committee and Welfare-to-Work staff.

To all of you, we say **THANK YOU!**
