Get involved in our Transitional Job Program!

Riverside County Workforce Development is partners with the Foundation for California Community Colleges (FCCC) to implement a Transitional Job Program for eligible residents. The program will provide individuals with barriers to employment hands-on work experience and an opportunity to develop workplace skills.

FCCC Will Provide:

100% Subsidized Job Assistance

BENEFITS OF BECOMING A HOST EMPLOYER

- **Help job seekers** establish a work history, explore career options, and develop the skillset needed to obtain and retain unsubsidized employment.
- **Minimal obligation**—FCCC will assume liability as the employer of record, administering payroll, managing workers' compensation, and addressing human resource needs. Host employers will be responsible for providing supervision and mentoring participants throughout the duration of the program.
- **Flexible program length** (120–320 hours part time/full time placement)
- **Opportunity to retain participants** at the completion of the program.
