The WOTC can reduce an employer's federal tax liability by up to \$9,600 per new hire. Workers Adjustment Retraining Notification (WARN) Act Requires certain employers to give affected employees at least 60 days written advance notice of any plant closing or mass layoff. Trade Adjustment Assistance (TAA) Assists workers who have lost their job or have reduced hours due to increased imports and foreign competition. Trade Adjustment Assistance (TAA) Unemployment Insurance Branch The Unemployment Insurance (UI) program pays benefits to workers who have lost their job and meet the program's eligibility requirements. EDD- Veterans Services Veterans can receive services to help them transition from military life to civilian life. EDD-Veterans services provides career and employment services. Services can range from gaining computer access for job search to assistance with filing for Unemployment</p>
<p>Employment Development Department Trade Adjustment Act(TAA) Indio AJCC Workforce Development Center 44199 Monroe Street, Suite B Indio, CA 92201 Phone: 760-863-2500 Fax: 760-863-2540</p> <p>Riverside America's Job Center of California (AJCC) 1325 Spruce Street, Suite 110 Riverside, CA 92507 Phone: 951-955-3100</p>	<p>The Trade Adjustment Assistance (TAA) program provides assistance to workers who are laid off due to increased imports from any foreign country. This federally funded program offers a full range of employment services including training, job search allowances, and relocation allowances to help eligible individuals return to work.</p> <p>Note: Trade affected workers must verify the petition number their company was certified under in order to determine the benefits they are eligible to receive. Established under the Trade Act of 1974 to help workers with job loss due to increased imports/shift in production to foreign countries. Eligible individuals are notified via mail with a certificate of eligibility issued by the U.S. Department of Labor (DOL). Benefits include: Employment Services Classroom or On-the-Job Training Health Insurance Coverage Additional Benefits/Allowances</p>

<p>Employment Development Department– Unemployment Insurance Branch Indio AJCC Workforce Development Center 44199 Monroe Street, Suite B Indio, CA 92201</p> <p>Phone: 760-863-2500 Fax: 760-863-2540</p> <p>Riverside America's Job Center of California (AJCC) 1325 Spruce Street, Suite 110 Riverside, CA 92507 Phone: 951-955-3100</p>	<p>Unemployment Insurance Branch The Unemployment Insurance (UI) program pays benefits to workers who have lost their job and meet the program’s eligibility requirements. If you have become unemployed, you may file a UI claim. You may be eligible for UI benefits if you meet all eligibility requirements. After you have filed a claim, you must continue to certify for benefits and meet eligibility requirements in order for the EDD to pay you benefits. An individual who files for UI benefits must meet specific eligibility requirements before benefits can be paid. Individuals must:</p> <ul style="list-style-type: none"> • Have received enough wages during the base period to establish a claim.* • Be totally or partially unemployed. • Be unemployed through no fault of his/her own. • Be physically able to work. • Be available for work. • Be ready and willing to immediately accept work. • Be actively looking for work. • Be approved for training before training benefits can be paid. <p>*Employers report wages to the EDD for each employee. The EDD uses this information to decide if an individual earned enough wages in a base period to establish a UI claim. A base period is a specific 12-month period. For example, if a claimant files a claim that begins in April, May, or June, the claim is calculated based on wages paid to the claimant between January 1 and December 31 of the prior year.</p>

<p>CA Indian Manpower Consortium, Inc. For more information, please visit: http://www.cimcinc.com/index.html</p> <p>Michele Guillen Workforce Development Coordinator III - (951) 784-9962 Email- micheleg@cimcinc.com</p>	<p>2019 California Indian Manpower Consortium (CIMC) The California Indian Manpower Consortium, Inc. was formally created in 1978 and recently celebrated 40th years of operations last month. CIMC was established for the purpose of working for the social welfare, educational and economic advancement of its member tribes, groups, organizations and Indians and other Native Americans living in its service area. CIMC’s Vision Statement is: “As first Americans, we walk in the present with our eyes on the future and the past in our hearts. We advocate pride in our cultural integrity. We honor the spirit that ensures continuity of the sacred circle. Our team of caring professionals: - Empowers Native Americans to achieve excellence - Revitalizes our communities - Embraces the challenges of the 21st century” The primary purpose of the Consortium is to offer training, employment, and other activities designed to meet the employment and training needs of the client population. The principal funding source is the federal Workforce Innovation and Opportunity Act. Some of the programs include: • Employment and Training Program • Emergency and Self-Sufficiency through the Community Services Block Grant • Native Entrepreneur Training</p>

<p>Soboba Band of Luiseno Indians Council Soboba Tribal TANF Riverside-Main Office 1425 Spruce Street, Suite A Riverside, CA 92507 Phone: (951) 654-5964 Fax (951) 300-1047 Angela Diaz- Adiaz@soboba-nsn.gov</p>	<p>Soboba Tribal TANF Program Tribal TANF is a federal and state funded program that provides time-limited assistance to needy families with children in an effort for those children to be cared for in their homes or in the homes of relatives. The Tribal TANF program was created by Native Americans to provide cash aid assistance and supportive services to meet the specific needs of Native American families. Tribal TANF is designed with the flexibility to address and focus on a variety of cultural and traditional needs.</p> <p>The Soboba Tribal TANF Program (STTP) mission is to assist American Indian families and future generations to reach their fullest potential in securing economic stability while encouraging wellness in the family. STTP strives to provide welfare related services to all eligible Native American families who meet all STTP requirements in an equitable and fair method according to custom and tradition.</p> <p>The four purposes of TANF</p> <ol style="list-style-type: none"> 1. Provide assistance to needy families so that children can be cared for in their own homes 2. Reduce the dependency of needy parents by promoting job preparation, work and marriage 3. Prevent and reduce the incidence of out-of-wedlock pregnancies 4. Encourage the formation and maintenance of two-parent families <p>Program Eligibility</p>

<p>Norco College 2001 Third Street Norco, CA 92860 Tel (951) 372-7000 Career & Technical Education Center for Applied Competitive Technologies Building K (951) 739-7811 CTE@norcocollege.edu https://www.norcocollege.edu/caps/index.html</p> <p>Point of Contact: Debra Mustain, Debra.Mustain@norcocollege.edu or Paula Barrera email: paula.barrera@norcocollege.edu 951- 372-7032</p>	<p>Career & Technical Education (CTE) at Norco College offers certificate programs and Associate of Science degrees with an occupational emphasis. Norco College trains residents for over 40 high-demand occupations specializing in innovative technology programs. Norco College offers California's most comprehensive suite of simulation and gaming programs and also hosts the National Center for Supply Chain Automation. Industry-led programs in Business Administration, Engineering and Automation, Multimedia, Early Childhood Development and Information & Communication Technologies prepare students for gainful employment. These programs offer the education and training necessary to lead individuals directly to employment, update the knowledge and skills of current workers, and/or lead to further academic growth at 4-year universities.</p> <p>The CTE programs at Norco College keep current with the regional labor market and industry trends. By bringing together local employers, faculty, staff and students our curriculum is ever changing to meet the demands of an increasingly competitive job market. Our industry advisory board is comprised of over 130 local public and private-sector employers, many of whom offer internships and work experiences to our students. Norco College is proud of our partnerships with our local community, Chambers of Commerce, and industry association groups. Additional programs of note are: Apprenticeship program (Earn and Learn Model), ACE- Accelerated Certification Employment program, Nationally recognized Supply Chain Training Center and a successful Career Resource program.</p>
<p>Val Verde Unified School Dist Adult Program 975 West Morgan St. Perris, CA. 92571 (951) 940-6100 Director: John Parker- Email: jparker@valverde.edu</p>	<p>The Val Verde Unified School District is one of two public education governing bodies in Moreno Valley, California which stretches into Perris, California. It currently operates 21 schools and is the neighbor to its larger counterpart, the Moreno Valley Unified School District. This district serves approximately 19,500 students as of 2013. The Adult Education program provides a variety of programs. The State of California allows adult students to earn a high school diploma. This program is designed for adults who did not finish high school. The program meets the same graduation requirements found in regular high schools. *Official Transcripts and a minimum of 100 credits are required to be entered into this course. The GED Program prepares students to take the GED examination, and offers integrated instruction in the four areas covered on the GED test: Reasoning through language arts, Science, Social Studies and Mathematical Reasoning. The Citizenship Preparation Program provides opportunities for students to learn about the United States naturalization process. Citizenship courses teach the reading, writing, listening, and speaking skills needed to complete naturalization forms and pass the naturalization interview. Also, the The Digital/Computer Literacy Program introduces students to the three components of digital literacy needed for the 21st century learner: Computer Literacy, Media Literacy, and Information Literacy. Additionally, it familiarizes students with essential computer concepts and terminology including operating systems, software, hardware, applications, and peripherals.</p>
